I. CALL TO ORDER

II. PUBLIC HEARING

Conduct a public hearing and consider final action on a request from the owner of the property of 4701 Drexel Drive to rebuild a recently demolished nonconforming wall, and to construct a new masonry retaining wall in the required front yard. Section 15-101 of the Zoning Ordinance states no fence or wall may be erected or placed in the front of the required front yard line, and states that retaining walls may be constructed, provided the wall is no higher than the ground level immediately adjacent to the enclosed side of the retaining wall. The property owner requests a variance to rebuild the wall, and construct a new retaining wall.

III. ADJOURNMENT

A member of the public may address the governing body regarding an item on the agenda either before or during the body's consideration of the item, upon being recognized by the presiding officer or the consent of the body.
