Press Release

for immediate release

Roadway Closure: 3600 Block of Mockingbird Lane

January 4, 2018 (Highland Park, Texas) – The 3600 block of Mockingbird Lane and the 5500 block of High School Avenue remain closed: Atmos Energy is working to repair a natural gas line in the area, and the repairs require the temporary closure of the roadways. The closure on Mockingbird Lane is bordered by Byron Avenue to the east, and Cambridge Avenue to the west. Barricades and detour signs are in place to alert motorists of the road closure. Motorists who typically use Mockingbird Lane as a thoroughfare are encouraged to find an alternate route to avoid delays.
