

## Town of Highland Park Construction Parking Template:

- Google Maps image on blank sheet showing building site and four nearest streets.
- Construction site frontage dimension shown.
- Construction site in RED.
- Construction parking vehicles in BLUE (9'x20' vehicle parking space)
  - o 50 feet building sites limited to 2 parallel parked vehicles in front.
  - o 60 feet building sites limited to 3 parallel parked vehicles in front.
  - o 100 feet building sites limited to 5 parallel parked vehicles in front.
- If you anticipate more parking than can be accommodated by the lot you are working on, the Town would like to see how you will coordinate the excess and comply with this standard.
