# Backflow Prevention Program

The Town is introducing a State Mandated Backflow Prevention Program in accordance with the U.S. EPA Federal Clean Water Act of 1972.

## WHY IT'S IMPORTANT

This program helps:

- Prevent contamination of our water supply
- Protect and safeguard public health
- Maintain the integrity of the Town's water supply
- Meet required federal, state, and local standards

## WHAT'S INCLUDED

The Town will provide a **concierge-style service** using a qualified contractor who will:

- Inventory all backflow prevention devices
- Perform required testing for residential and commercial properties

This streamlined approach ensures consistent testing and compliance.

## COST DETAILS

Testing costs will be billed to the property owner and conveniently included on the **monthly water bill**.
